

# Hello, World!

This problem does not provide any input. All you have to do is just simply output the phrase "Hello, World!".

**Note** that you have to print exactly one newline character ('\n') at the end of your answer, otherwise your answer will be judged wrong.

#### Format Input

There is no input provided for this problem.

#### Format Output

Output a line containing only a string "Hello, World!".

# Sample Input (standard input)

This problem does not provide any input.

## Sample Output (standard output)

Hello, World!
